FREE and OPEN TO THE PUBLIC

Michele Celentano, Portrait Artist and a Canon Explorer of Light, will present her program, “Portrait Photography: From Ordinary to Extraordinary” at a meeting of the Delaware Photographic Society.

Michele Celentano has been a professional photographer for more than 25 years and has been a prominent educator in the field for more than 17. From Italy, Korea, Puerto Rico to Hawaii and from small intimate work-

shops to large conventions, Michele has the experience to help you learn and grow as an artist. Most recently Michele has published a best-selling photography book, *Photographing Families: Tips for Capturing Timeless Images*.

In this high-energy presentation, Michele shares techniques and tips on how to create professional looking images. You will learn to use available light, find light direction, choose backgrounds and locations. Michele will teach posing techniques for one person to large groups of people.
